

# Residential Overnight Permit Parking

## **Residential Overnight Permit**

The Residential Overnight Permit is intended for Melrose residents who do not have off-street parking associated with their residence. The Residential Overnight Permit allows public parking within certain municipal parking lots and commuter rail parking lots during the hours of 2:00 AM and 6:00 AM when on-street parking is prohibited. This permit does not permit overnight on-street parking or all-day parking.

The annual cost is \$80, paid by cash, money order, or check payable to the City of Melrose only; credit cards, debit cards, and third party checks are not accepted.

Please be prepared to provide proof of Melrose residency (utility bill, lease agreement, or vehicle registration). In addition, please also present the vehicle's registration when purchasing the Residential Overnight Permit. The vehicle registration is necessary to verify the license plate number and that the vehicle is a passenger vehicle.

A replacement permit may be obtained if a new vehicle is purchased to replace a permitted vehicle in the same calendar year. To receive a replacement permit, return the old sticker or proof of transaction (bill of sale and plate return receipt from the RMV or new registration if the plate transferred to the new vehicle).

### **The following terms and conditions apply:**

- The permit holder must obey the maximum parking limits of the municipal parking lots and the commuter rail parking lots. Vehicles must be moved by 8am. These limits will be enforced.
- The Residential Overnight Permit is available for any Melrose resident with proof of residency.
- Proof of residency could be the car registration, a utility bill, or a lease agreement.
- The Residential Overnight Permit is not for commercial vehicles.
- The Residential Overnight Permit is not for guests.
- The permit sticker must be visible in rear window on the driver's side. If your window is tinted, display your sticker on the side window of the driver's side.
